

## **In The Details Consulting & Management LLC**

**Business Type:** Minority Woman-Owned Small Business (MWBE) (Certification Pending)

### **Company Overview:**

In The Details Consulting & Management LLC specializes in assisting DBEs and small businesses in navigating the complexities of government contracting.

With nearly 20 years of industry expertise, we provide contract compliance consulting, certified payroll management, and system support. Our personalized, hands-on approach ensures businesses meet federal and state requirements while optimizing their processes.

### **Core Competencies:**

- **Contract Review & Analysis:** Ensures compliance with DBE participation requirements, wage mandates, and legal obligations.
- **Government Wage Payroll Production:** Certified payroll reports adhering to Davis-Bacon Act, SCA, and prevailing wage laws.
- **Compliance Consulting:** Customized guidance for government contracting and regulatory standards.
- **Training & Education:** Workshops and resources to improve understanding of compliance and best practices.

### **Differentiators:**

- Minority woman-owned business with firsthand knowledge of DBE challenges.
- Nearly 20 years of specialized experience in government contracting compliance.
- Flexible, affordable pricing for small businesses with limited budgets.
- Personalized one-on-one support tailored to client needs.

### **Target Market:**

- Disadvantaged Business Enterprises (DBEs)
- Small businesses entering the government contracting market
- General contractors managing subcontractor compliance
- Public sector entities requiring compliance audits and support

### **Technology & Tools:**

- Government-compliant payroll software for streamlined reporting and certifications.
- Secure data management tools for confidentiality and integrity.
