WHAT WE DO

Kuniklo Corporation delivers custom strategies for our clients that stem from our 20 years of experience on mega-, mixed-funded, and Public-private partnership (P3) construction projects for contractors, developers, and agencies. We exercise due diligence when reviewing contract and labor requirements, assessing risk management, and validating Certified Payroll and Davis Bacon Wages. Kuniklo assists our clients with Community Outreach, where we inform the community about construction & industrial jobs, educational opportunities, and on-the-job training. We support Workforce Development efforts to recruit, screen, train and retain employees on public works. We advocate for and support small, minority, woman, & locally-owned businesses and assist with capacity building, business assistance, and certification needs.
